It's only been a year since you've been gone but it seems like it has been a lifetime. You are where you wanted to be now, not suffering, and at peace. We don't think you ever really realized how much you were LOVED, and still are. There is not a day that goes by you are not thought of. You were blind when you left us but now you can see the heavens, the angels and the one you come to be. We love you, miss you and hold you dear to our hearts always!
