MRS H. M. SMITH
7543 CROMWELL DRIVE
CLAYTON, MD 65105

Dear Mrs. Smith

Mr. Norman Conkling has had enough to send me a copy of your letter of 10 FEB 1989 to me. I am pleased to learn of your relationship to the Upchurch family and of your interest in it. As you will see from the enclosed sheets I am keenly interested in the entire extended Upchurch family.

My grandpa began to read the biography of Upchurch by whom she had no children the 2nd name C. Upchurch by whom she had two children. These two men were the sons of John Jordan Upchurch, the most famous Upchurch of all. Do you know of the memoir to him in St Louis and the story of his life? I want much more detail on all of this if you are that interested.

Several years ago I visited Belville, MD and saw the grave of many (Hogan) Upchurchs. I also talked with older citizens there who knew the family. However, I missed the fact that a house related to this family was still standing.

My interest in Missouri is highlighted by several facts. There is a certain amount (actually a lot) of upland history in the state and many descendants and also recent arrivals reside in the state. From 1965-1975 I worked for Monsanto and lived in the Belle Coeur subdivision off Ladue Road in the County. Two of my children have attended St Louis University. My daughter (Mrs Robert Heck) works for Monsanto and has one of our four grandchildren. Our son Barry is finishing his second year in law school at St Louis University and will probably continue to reside in St Louis. He is in the financial world having worked for Pru Waterhouse for a manager or two years and he has his MBA and CPA.

Since you are not directly descended from our uplands, I am not sure of your level of interest in the family. If you do think we have mutual interests I would be happy to hear from you and see in what ways we might be able to help each other.

P.S. - May I have your full maiden name? I file that way
Phil

Sincerely yours
Philip Upchurch

Here are some Warren County land grants that I'm interested in finding the location of the land. Do any of these names seem familiar:

Warren County, TN Land Grants

Book 1 Page 17 Grant #46. Joseph Upchurch 148 acres on conditional line with Henry Warren ... bluff on Caney Fork.

Book 1 Page 237 Henry Warren 50 acres on waters of Caney Fork ... Fortners Bend ... Wilson's corner ... 20 acre survey, for compliment June 30, 1824. Jonathan Wilson Locator.

Book 1 Page 102. Grant #306. Lemuel Franks 20 acres on Caney Fork Wells Bend on conditional line with Henry Warren. July 3, 1824.

Book 2 Page 83-84 #1082. Henry Warren 50 acres Caney Fork Wells Bend on his west boundary of a 50 acre survey conditional line with Henry Warren and Franks, a line with Henry Warren and Worley. Jan 2, 1826. Henry Warren Locator.

Here are some Warren County Land Surveys that I have that mention Upchurch families. I don't know if you have these. I'm trying to find out about where they were located also. I believe these are all located in the present county of DeKalb also.

I'm told that this area is now in DeKalb County. This spring I was in the county trying to find the location of these properties. I spoke with the county historian and he said he did not know where Wells Bend was on Caney Fork. Apparently that land is now under the lake formed when the dam was constructed on Caney Fork.
