Dear June,

It is time for an update on Allied Families. The enclosed UB for 2016 shows our shift to digital which has been achieved.

Provided is a summary of what we have done in our shift and what we hope for in 2017. We can accomplish a lot with our \$25,000 budget for 2017 if we can get it funded. Any encouragement you can offer will be welcomed.

I will be in NC March 29 - April 2 working in our Allied Families Cary, NC office to add more projects. It would be great if you could come and see the progress being made.

Sending All Best Wishes

Dear Cousin Phil -

Thanks for your info. I enclose my line as I know it.

I never met my grandmother Mary Upchurch Yandell (nor my grandfather Yandell either as a matter of fact even though he died when I was nearly 14.) My father did mention several of his mother's siblings (Hobart, Barney + Vandiver in particular) so I am confident in the tree I send to you today.

Any corrections needed to your data is appreciated.

Thank you,

June

-This is my line based on info I was able to confirm & verify as best I could using mostly online sources. I am not in possession of any Upchurch ephemera. If any exist, they are retained by my sister MC. I know Shadrack was the ancestor I can begin with because the picture posted to him was one we also had in our home. Also my father looked remarkably similar and several Upchurch descendants who have posted their pictures have quite a family resemblance as well as the 'nose' which I got too.....
