□ *Rev. Johnson Olive had accepted the pastorate of Swift Creek Baptist Church for the year 1885. Rev. Olive died at his residence in Apex, North Carolina on Saturday, January 24, 1885 and is buried in the Apex Cemetery. At the time of his death, he was pastor of Swift Creek, Cary, Holly Springs, and New Bethel Churches. He never preached at Swift Creek as pastor.

□ Many of the early pastors served four churches at a time preaching at each one week-end a month. The first full time pastor at Swift Creek Baptist Church was Rev. Paul Pridgen, Jr. in 1954.

△△△ Interim pastors who have served since 1979 are Dr. James Heaton, Steve Roy, Joe Zimmerman, Donald McNair, and Gerald Richards.

Meredith Potts left happy memories

By Mary Lou Booth

The column today is dedicated to the memory of Meredith Potts, who was killed in Maryland Saturday night as she visited with John Zimmerman's parents for Thanksgiving.

All of us in our church and community are burdened with the grief and loss of one so young and precious to all of us. Our hearts and prayers go out to Richard, Joey, Courtney, David and John as they try to cope with this tragedy and get their lives back together. There is no doubt in our minds that Meredith is in heaven and at

peace with the Lord that she served so faithfully.

We have many happy memories of Meredith spending a lot of her growing up time with our Jennifer and the path they wore across the field was traveled many times by the girls as they played together.

The young people Meredith went to Apex High School with, cheerleaders, students at Peace College, all need our prayers as their young minds and hearts search for answers.

Our love and prayers continue for all the family and friends. We love you and cherish always our memories. God bless you all.

Upchurch and Allied Families using DNA

In recent years DNA has been recognized as an important resource for the genealogist. Not to be left behind, Upchurch and Allied Families are actively comparing members' DNA samples to identify segments of chromosomes that they have in common. Allied members who are at least 3rd or 4th cousins should share portions of their autosomal chromosomes, the chromosomes numbers 1 through 22 and X. Males with the Upchurch surname should share a nearly identical Y chromosome. If you are interested in taking part in these studies and have not yet had your DNA analyzed by Ancestry, 23andMe, Family Tree DNA, My Heritage DNA or another company, now is a good time to order a kit because most of the companies have special holiday pricing. If you have had your DNA analyzed by one of these companies, you may want to share your kit number with Allied Families and help us with our studies. Along with the research Phil Upchurch has done all these years, the DNA results are amounting to further proof of the family tree.
